MEMORANDUM FOR: Director of Security
FROM: Director of Central Intelligence
SUBJECT: Unauthorized Disclosures

1. This is a very rough and hasty draft I put together on a statement of what needs to be done to address the loss of control over unauthorized disclosures.

2. I'd appreciate it if you would undertake to do a more finished and fully articulated statement on this subject. Include your well articulated statement of a system for control of authorized disclosures which you spelled out during our return from Senator Denton's office. Add any other ideas you have and elaborate on or improve those in the draft as you see fit.
